

Saolta University Health Care Group provides a comprehensive range of Medical, Surgical, Paediatrics and Obstetrics and Gynaecology Services to emergency and elective patients on an inpatient, outpatient and day care basis across the West and North West of Ireland.

All Hospitals in the Group play a leadership role in the Acute Service Delivery, serving a catchment area of one million people. All Hospitals in the Saolta University Health Care Group are affiliated to the National University of Ireland at Galway and are involved in the undergraduate and postgraduate training of medical and other healthcare professionals.

The Group has vacancies for the following medical staff at Registrar and Senior House Officer Grades. Registrar posts are for 1 or 2 year duration for suitable candidates. Senior House Officer posts are six months duration with possible extension.

FOUNDATION YEAR IN ANAESTHESIA AND ICU (Galway University Hospital only)

This year is suitable for those who wish to pursue a career in anaesthesia ideally suitable for those post internship or with a minimum of one year SHO experience.

FOUNDATION YEAR IN SURGERY (Galway University Hospital only)

This year is suitable for those who wish to pursue a career in surgery ideally suitable for those post internship or with a minimum of one year SHO experience. The Galway University Hospital Foundation Programme in Surgery will provide NCHDs at SHO level with an interest in surgery to experience different sub-specialties while also providing the opportunity for professional development both clinically and academically (academic portfolio including surgical education and research will be provided for completion). Consists of four SHO posts rotating on a three monthly basis through four surgical specialties.

Informal enquires to Prof. Lowery and Prof. Kerin, Email: aoife.lowery@hse.ie and michael.kerin@hse.ie

For further information, and to apply for any of the above posts, please forward your CV by email stating clearly on the subject line the post and grade you are applying for to your preferred Hospital(s).

As some posts may be filled from the National Training Schemes, a panel of successful candidates may be formed.
